

Intention Statement for Financial Abundance and Prosperity

Should be preceded by [Precursor Cohering Statement](#)

This intention is for (“myself” or if for another, state their full name) to manifest Financial Abundance and Prosperity. This intention directs that material abundance and financial prosperity manifest into (my/our) circumstances such that (I/we) (am/are) able to live a brilliant, vital, happy and helpful life to the benefit of (myself/ourselves) and others. To that end the intention also directs that any and all of (my/our) physical/mental/spiritual/emotional, conscious and subconscious, self-enhancing and beneficial beliefs be maximized towards the attainment of financial abundance and prosperity, and that those beliefs will enable the realization of my full potential for an abundant and prosperous life.

The initial purpose of this intention is to condition (my/our) home to a strongly coupled state of physical reality.

The first specific intention is to activate the indwelling consciousness of each (my/our) home, plus (my/our) duplex-space body(ies), so as to:

- (a) Significantly cleanse these spaces to remove all prior unfavorable or negative entanglements/attachments so as to convert them to “sacred” spaces suitable to (my/our) intended use, and
- (b) Lift these cleansed and sacred spaces to a strongly coupled state of physical and non-physical reality.

The special characteristics of this intention are to strongly increase the coupling between the physical and non-physical-space substances in (my/our) home and cellphone, especially (my/our) bedroom, as well as in (my/our) own physical and subtle bodies.

This intention directs an awakening within of an ever-increasing desire to be a channel and responsible steward of Divine prosperity for (myself/ourselves) and others. Shower (me/us) in

abundant energy, infuse (me/us) with Divine abundance and prosperity, and help (me/us) become a greater channel of Divine abundance and Divine Prosperity to (my/our) benefit and to the benefit of others. (I/we) intend and declare that (I/we) will fully manifest, appreciate the value, and embrace the joy, of both receiving and sharing ever-increasing Divine material and financial abundance.

This intention strongly increases the coupling between physical and non-physical substances so as to significantly manifest, enhance and increase (my/our):

1. Replacement of financial fear, worry or doubt with a consistent consciousness of trust in, gratitude for, acceptance of and increasing awareness of, the Divine prosperity and abundance in (my/our) life.
2. Achievement of a greater ability and desire to recognize, appreciate and manifest gratitude for the prosperity and abundance in (myself/ourselves) and others, especially at levels that may otherwise seem insignificant or immaterial.
3. Ever increasing, ever improving ability to be comfortable and at peace with (my/our) own circumstances, to remove all mental barriers preventing a consciousness of abundance, financial prosperity and financial well-being, confident in knowing that the Divine will always provide.
4. Improved ability and enhanced desire to consistently and considerately, through (my/our) thoughts and actions, manifest and selflessly share my abundance and prosperity so (I/we) become a freely flowing channel of Divine abundance for (myself/ourselves) and others.
5. Motivation to continuously seek, invite, welcome and positively respond to, opportunities for manifesting and increasing abundance in (my/our) life to meet all (my/our) needs and for sharing with others so as to allow Divine abundance and prosperity to liberally flow in and through me via (my/our) thoughts and actions.

Optional But Recommended

I intend and declare that I see myself as part of the spiritual energy of creation and that I understand who I really am. Help me realize that I am responsible for creating the life I desire. Help me understand that everything is energy, always transitioning to a greater good. Help me

know that this movement is energized and maintained by my own personal belief system that always functions as a compass for my life.

The additional specific purpose for this intention, is to unite my individual and universal heart & mind, so as to be receptive to a bright new world of Divine Love, Divine Joy, Divine Will, Divine Forgiveness, Divine Light, Divine Healing, Divine Wisdom, Divine Equality and Divine Unity.

May this vision penetrate every nook and cranny of my being so as to significantly reduce all unnecessary stress precursors in my life, allowing me to manifest optimum health and functioning in physical, mental, emotional and spiritual levels in my daily life consistent with my soul's purpose for this particular lifetime's experience.
