

Imprint statement for ASD Recipients

To be read by Caregiver.

Should be preceded by [Precursor Cohering Statement](#)

This imprint statement is designed for (name of ASD recipient) perceived to be functioning within the autism spectrum, who may be challenged in physical, mental, emotional and spiritual health domains.

The initial purpose of this intention is to condition (my/our) home to a strongly coupled state of physical reality.

The first specific intention is to activate the indwelling consciousness of each (my/our) home, plus (my/our) duplex-space body(ies), so as to:

- (a) Significantly cleanse these spaces to remove all prior unfavorable or negative entanglements/attachments so as to convert them to “sacred” spaces suitable to (my/our) intended use, and
- (b) Lift these cleansed and sacred spaces to a strongly coupled state of physical and non-physical reality.

The special characteristics of this intention are to strongly increase the coupling between the physical and non-physical-space substances in (my/our) home and cellphone, especially (my/our) bedroom, as well as in (my/our) own physical and subtle bodies so as to:

- (1) Significantly reduce any impedance or communication/information mismatch existing between (name of ASD recipient) soul and bio-bodysuit

- (2) Significantly reduce any impedance or communication/information mismatch between (name of ASD recipient) D-space and R-space bodies in their personality
- (3) Significantly increase their desire that coherent connections develop between the various bodies for clear and easy information and communication exchanges to occur between them, and facilitate the energies of those bodies to become harmoniously integrated
- (4) Significantly increase expressed harmony, appreciation, acceptance and love between (name of ASD recipient) and family members, caregivers and friends, as well as all social interactions with living beings
- (5) Allow the radiation of Divine Love, Divine Joy, Divine Will, Divine, Forgiveness, Divine Light, and Divine Wisdom to penetrate every nook and cranny of (name of ASD recipient) being so as to significantly reduce all unnecessary stress precursors in life allowing optimum health and functioning at physical D-space and R-space, emotional, mental and spiritual levels in (name of ASD recipient) daily life, consistent with the soul's purpose for this particular lifetime's experience and
- (6) Significantly assist (name of ASD recipient) to effectively "seed" the Ancient Lemurian technology of love into the earth plane so that (name of ASD recipient) can show humanity the way back to the technology of love!

(Optional But Recommended)

I intend and declare that I see myself as part of the spiritual energy of creation and that I understand who I really am. Help me realize that I am responsible for creating the life I desire. Help me understand that everything is energy, always transitioning to a greater good. Help me know that this movement is energized and maintained by my own personal belief system that always functions as a compass for my life.

The additional specific purpose for this intention, is to unite my individual and universal heart & mind, so as to be receptive to a bright new world of Divine Love, Divine Joy, Divine Will, Divine Forgiveness, Divine Light, Divine Healing, Divine Wisdom, Divine Equality and Divine Unity. May this vision penetrate every nook and cranny of my being so as to significantly reduce all

unnecessary stress precursors in my life, allowing me to manifest optimum health and functioning in physical, mental, emotional and spiritual levels in my daily life consistent with my soul's purpose for this particular lifetime's experience.

Note: For those imprinting this intention into their own [Intention Host Device \(IHD\)](#), please use this statement. Step-by-step imprinting [resources are available on the website](#) to guide you through the process.
