

Intention Statement for ASD Caregivers

To be read by Caregiver.

Should be preceded by [Precursor Cohering Statement](#)

This imprint statement is intended for (me/us) as a caregiver(s) of (insert name of ASD individual) who has been diagnosed with autism spectrum disorder to enhance the harmony, patience, strength and perseverance in (my/our) relationship and interaction with (insert name of ASD individual).

The initial purpose of this intention is to condition (my/our) home to a strongly coupled state of physical reality.

The first specific intention is to activate the indwelling consciousness of each (my/our) home, plus (my/our) duplex-space body(ies), so as to:

- (a) Significantly cleanse these spaces to remove all prior unfavorable or negative entanglements/attachments so as to convert them to “sacred” spaces suitable to (my/our) intended use, and
- (b) Lift these cleansed and sacred spaces to a strongly coupled state of physical and non-physical reality.

The special characteristics of this intention are to strongly increase the coupling between the physical and non-physical-space substances in (my/our) home and cellphone, especially (my/our) bedroom, as well as in (my/our) own physical and subtle bodies so as to:

- (1) Awaken (me/us) to the realization that (name of ASD individual), diagnosed as being on the autism spectrum, needs (my/our) sustained emotional and caring assistance to function

coherently and successfully in the time-distance realm coherently integrating themselves out of our erroneously-perceived distance-time-only world. Please help (me/us) to dissolve (my/our) own fears and joyfully surrender to the co-creative process of transformation and integration that (name of ASD individual) and (I/we) are undertaking!

- (2) Significantly reduce (my/our) visually perceived and felt degree of stress in caring for (name of ASD recipient) diagnosed with ASD while also significantly increasing the degree of positive interactions that (I/we) have with (him/her).
- (3) Significantly increase (my/our) understanding, (my/our) acceptance, (my/our) peace, (my/our) patience, (my/our) perception and (my/our) perseverance, in caring for (name of ASD individual),
- (4) Significantly increase (my/our) conscious desire that more coherent connections develop between (name of ASD individual's) various bodies for easy information exchanges between those bodies,
- (5) Significantly increase overall coherence between (name of ASD individual) and (myself/ourselves).
- (6) Significantly assist (name of ASD individual) in showing humanity the way back from the present earth technology to the ancient Lemurian technology of love.

(Optional But Recommended:)

I intend and declare that I see myself as part of the spiritual energy of creation and that I understand who I really am. Help me realize that I am responsible for creating the life I desire. Help me understand that everything is energy, always transitioning to a greater good. Help me know that this movement is energized and maintained by my own personal belief system that always functions as a compass for my life.

The additional specific purpose for this intention, is to unite my individual and universal heart & mind, so as to be receptive to a bright new world of Divine Love, Divine Joy, Divine Will, Divine Forgiveness, Divine Light, Divine Healing, Divine Wisdom, Divine Equality and Divine Unity. May this vision penetrate every nook and cranny of my being so as to significantly reduce all unnecessary stress precursors in my life, allowing me to manifest optimum health and functioning

in physical, mental, emotional and spiritual levels in my daily life consistent with my soul's purpose for this particular lifetime's experience.

Note: For those imprinting this intention into their own [Intention Host Device \(IHD\)](#), please use this statement. Step-by-step imprinting [resources are available on the website](#) to guide you through the process.
